FLUORIDE, official journal of the International Society for Fluoride Research (ISFR), publishes quarterly reports on biological, chemical, ecological, industrial, toxicological and clinical aspects of inorganic and organic fluoride compounds. The International Standard Serial Number (ISSN) is 0015-4725.

SUBSCRIPTION: US$50 (or equivalent in British £ or Japan ¥) per year in advance. Send to Treasurer, ISFR, 81A Landscape Road, Mount Eden, Auckland 1004, New Zealand.

COPIES of articles in Fluoride are available from:
University Microfilms International, Box 91, Ann Arbor, MI 48106, USA.
Institute for Scientific Information, 3501 Market St., Philadelphia, PA 19104, USA.
BIOSIS, c/o Advanced Information Consultants, Box 87127, Canton, MI 48187, USA.
The UnCover Company, 3801 E. Florida, Suite 200, Denver, CO 80210, USA.
Information can be obtained from the ISFR Home Page: http://www.fluoride-journal.com

MANUSCRIPTS, including papers presented at ISFR conferences, are accepted for publication after appropriate evaluation and recommendation by qualified reviewers. Send to Prof A W Burgstahler, Editor, Fluoride, 1620 Massachusetts Street, Lawrence, KS 66044-4254, USA. Fax (USA) 785 843 0736. The following instructions apply to original research reports. Research reviews and discussion papers, with appropriate variations in format, may also be accepted.

INSTRUCTIONS TO AUTHORS
The submitted paper, with a copy, should be written concisely in English. Either American or British spelling is accepted. Measures should be in metric system. Double space with generous margins. A computer disk containing the text is much appreciated.

Title: A concise but informative title should be followed by name(s) of the author(s). The address where the research was carried out, and for correspondence, should appear at the bottom of the first page.

Summary: Begin with a brief factual summary.

Key words: List the major themes or subjects.

Introduction: State the reason for the work with a brief review of previous work on the subject.

Materials and Methods: Condense. However, if the methodology is new or developed by the author(s) it can be more detailed.

Results: List the direct conclusions of the work.

Discussion: Deal with general conclusions, referring to other work on the subject. In short papers Results and Discussion may be combined.

Abbreviations or Acronyms: Define, either in brackets or in footnotes, when they first appear.

Acknowledgments: Keep brief. They may include funding source, technical assistance, text editing and useful comments.

References: See current issues of the journal for usual style, which identifies references by superscripted numbers in the order in which references first occur. Other styles may be accepted, provided they are accurate and consistent.

MEMBERSHIP. Researchers are invited to join ISFR. Applications for membership should be sent to the Secretary, Professor Gene W Miller, Biology Department, Utah State University, Logan, Utah 84322-5305, USA. Application forms are available from either the Secretary or Treasurer. The membership fee is US$40 a year, which includes subscription to the journal. This reduced subscription rate is also available, on application to the Treasurer, to individuals who support the Society's aims.
