FLUORIDE is the official journal of the International Society for Fluoride Research (ISFR). The ISFR publishes quarterly scientific reports on biological, chemical, ecological, industrial, toxicological, and clinical aspects of inorganic and organic fluoride compounds. The International Standard Serial Number (ISSN) is 0015-4725.

SUBSCRIPTION for the year 2002 is payable in advance: US\$40, UK£25, ¥4000, or Euro40, with a subscription agency discount of 12.5%. Because of the difficulties experienced by some members and subscribers in transferring money due to high bank charges, we have arranged to receive payments also by Visa and Mastercard through PayPal, which enables money to be sent to anyone with an email address in a secure way. It is necessary to first register with PayPal at <http://paypal.com/>. The recipient email address to which the payment should be sent must be typed accurately and is spittle@es.co.nz

ONLINE ACCESS (<http://www.fluoride-journal.com>) is free of charge. However, to accommodate a more compact file size for the Internet, photos and charts are not available online, and reproduction of research papers onsite are low-resolution. A subscription to *Fluoride* is therefore encouraged.
