FLUORIDE is the official journal of the International Society for Fluoride Research (ISFR). The ISFR publishes quarterly scientific reports on biological, chemical, ecological, industrial, toxicological, and clinical aspects of inorganic and organic fluoride compounds. The International Standard Serial Number (ISSN) is 0015-4725.

SUBSCRIPTION for the year 2002 is payable in advance: US$40, UK£25, ¥4000, or Euro40, with a subscription agency discount of 12.5%. For residents of Australia and New Zealand only, A$40 and NZ$40, respectively. Send to ISFR Treasurer: Dr Bruce Spittle, 727 Brighton Road, Ocean View, Dunedin 9051, New Zealand.

Because of the difficulties experienced by some members and subscribers in transferring money due to high bank charges, we have arranged to receive payments also by Visa and Mastercard through PayPal, which enables money to be sent to anyone with an email address in a secure way. It is necessary to first register with PayPal at http://paypal.com/. The recipient email address to which the payment should be sent must be typed accurately and is spittle@es.co.nz

ONLINE ACCESS (http://www.fluoride-journal.com) is free of charge. However, to accommodate a more compact file size for the Internet, photos and charts are not available online, and reproduction of research papers onsite are low-resolution. A subscription to Fluoride is therefore encouraged.

COPIES of articles in Fluoride are available from:
University Microfilms International, Box 91, Ann Arbor, MI 48106, USA.
Institute for Scientific Information, 3501 Market St., Philadelphia, PA 19104, USA.
BIOSIS, c/o Advanced Information Consultants, Box 87127, Canton, MI 48187, USA.
The UnCover Company, 3801 E. Florida, Suite 200, Denver, CO 80210, USA.

MANUSCRIPTS, including papers presented at ISFR conferences, are accepted for publication after appropriate evaluation and recommendation by qualified reviewers. Send or (preferably) email manuscripts (as Word attachments) to Prof AW Burgstahler, Editor, Fluoride, 1620 Massachusetts Street, Lawrence, KS 66044-4254, USA (E-mail: awburg@ku.edu). For more detailed instructions for submitting papers, please visit our website http://www.fluoride-journal.com/papers.htm or refer to Fluoride 2002;35(1):67-72.

The following instructions apply to original research reports. Research reviews and discussion papers, with appropriate variations in format, are also invited.

INSTRUCTIONS TO AUTHORS:
The following is only a brief summary. For detailed instructions, see Guidelines for Authors in the February 2002 issue of Fluoride 35(1), pages 67-72. Two copies of an initial version of the manuscript typed according to these guidelines, double space throughout with wide margins, should be submitted (without a computer disc), or the manuscript may be sent by email (as a Word attachment) to the Editor, Prof Albert W Burgstahler, at the address given above.

MEMBERSHIP: Researchers and others interested in fluoride research are invited to join the ISFR. Applications for membership should be sent to the Secretary: Professor Emeritus Gene W Miller, P.O. Box 725, Logan, UT 84321-0725, USA (E-mail: plants@baicor.com). For the year 2002 the membership fee, which includes subscription to the journal, is the same as the subscription schedule above.
