

**SECOND ANNOUNCEMENT AND CALL FOR ABSTRACTS: XXXIInd
CONFERENCE OF THE INTERNATIONAL SOCIETY FOR
FLUORIDE, *FLUOROSIS PREVENTION: FROM
RESEARCH AT THE CELLULAR
LEVEL TO MITIGATION***

CHIANG MAI, THAILAND, NOVEMBER 25–28, 2014

On behalf of the Organizing Committee, I invite all ISFR members and all who are interested in fluoride research to attend the XXXIInd Conference of the International Society for Fluoride Research, which will be held November 25–28, 2014, in Chiang Mai, Thailand.

The conference theme is *Fluorosis prevention: from research at the cellular level to mitigation*. Papers are invited for oral or poster presentation on all aspects of fluoride research including:

- Biological effects of fluoride including those at the cellular level
- Epidemiology of fluorosis
- Fluorosis prevention by water defluoridation: laboratory experience
- Fluorosis prevention by water defluoridation: field experience
- Mitigation of fluorosis

The programme will include a field visit.

The venue will be Holiday Inn Chiangmai, 318/1 Chiang Mai-Lamphun Road, Chiang Mai, Thailand 50000.

CALL FOR ABSTRACTS

Oral and poster presentations are invited on subjects related to fluoride. They can only be accepted for presentation when at least one of the authors is registered to attend the conference.

REGISTRATION FEE

Registration fees (including, for participants, students, and accompanying persons, reception function, scientific sessions, lunches, coffee breaks, field trip)

Category	Early bird rate, on or before July 25, 2014	Full rate, after July 25, 2014
