Dear Madam/Sir

I enclose the rates for Fluoride for 2018 together with answers to some questions.

Yours sincerely

Bruce Spittle

The rates for *Fluoride* ISSN 0015-4725 in hard copy for 2018 are unchanged from those for 2015, 2016, and 2017: US\$68, Canadian\$73, £40, Japan¥7,000, €50, Australian\$73, or New Zealand\$78. A NZ\$5 discount is available if it is posted to a NZ address, i.e. NZ\$73, as the postage is less. However, the cost of back issues has risen from US\$12.50 per issue of approximately 96 pages to US14 to reflect the increased costs of printing and postage.

The subscription charges may be paid in any of the above currencies.

No agency discount is available.

Electronic access to the online version, ISSN 2253-4083, is available free at www.fluorideresearch.org. No password required. It is not necessary to have a hard copy subscription to access the free online access.

Volume number for 2018 is 51. Published quarterly.

Correspondence and electronic journal enquiries to: spittle@es.co.nz

Payment options for subscription to *Fluoride*, and the purchase of back issues are: bank transfer, cheque, cash, or PayPal. Bank transfers can be made to The Bank of New Zealand, New Lynn Branch, 3029 Great North Road, New Lynn, Auckland, New Zealand; Swift BKNZ NZ22; Website: www.bnz.co.nz; Fax 64 09 827 6806;

A Magnetic Character Recognition Line (MCRL) barcode consisting of vertical bars of varying heights, used for cheque processing.

An example of a Magnetic Character Recognition Line (MCRL) which is required for cheques to be acceptable for depositing in New Zealand without incurring prohibitive bank fees.

Account name: International Society for Fluoride Research; Account number 02 0184 0333239 000. Cheques should be made out to the same or to ISFR. Personal cheques, bank cheques or drafts, and cash may be posted to Dr Bruce Spittle, 727 Brighton Road, Ocean View, Dunedin 9035, New Zealand. Personal or bank cheques, and cash, in US\$, Canadian\$, £, €, Australian\$, and NZ\$ are fine provided the cheques have the account information written as a Magnetic Character Recognition Line (MCRL) at the bottom of the cheque. The technology is implemented by printing special block-like characters, 10 digits and four special symbols, in magnetic ink, which may be read automatically by machine and enables speedy checks processing. If there is no MCRL information, the cost of processing the cheque is prohibitive and cheques without MCRL are not acceptable. Cash as Japanese Yen is also fine. Please do not send Canadian or British Postal Notes, cheques drawn on Japanese banks, or cheques in US\$ drawn on British banks in the United Kingdom as they cannot be negotiated in New Zealand. PayPal allows payment by Visa or Mastercard directly to an E-mail address in a secure way. It is necessary to first register with PayPal at <http://paypal.com>. The recipient E-mail address for the payment is spittle@es.co.nz. Just giving the credit card number to the ISFR is not sufficient.
